ARTICLES & INSIGHTS

"We like to attend the BCF Career Event as it is one of the major events to connect with scientific talent. We hope to find talents who want to join Johnson & Johnson."
Johnson & Johnson

"With its wonderful programme and top-notch speakers the course exceeded my expectation."
BioBusiness Summer School participant

"As recruitment agency in the field of Chemistry & Life Sciences, there is a direct link with the BCF Career Event. Being the main sponsor for many years now helps us target the right audience and this brings us more brand awareness, candidates and contacts."

CLS Services

"I met companies that I didn't know in advance that they existed, thus a very nice possibility to increase your job application possibilities."
